The FISH Network is keeping an eye on the statistics for the city and the province and will make a decision about the October family night in the coming week. If it is deemed too great a risk, the event will be postponed.

If it suits your talents, **volunteers are still required for help in the A/V** department, with powerpoint operation and in other areas.

When you enter the sanctuary, you are invited to spend a few moments praying for God's blessing on the congregation and all who are participating in the service.
